RE: ECMS 57433 Lehigh Race Street Intersection Improvements

To whom it may concern:

As part of the Lehigh Race Street Intersection Improvement Project, Grace Industries will be implementing a detour of Race Street/Bridge Street (SR 1004) in Catasauqua Borough, Lehigh County beginning 7/26/2024 at 6 PM SR 1004 will be closed to traffic between the intersections of Bridge Street/Lehigh Avenue in West Catasauqua and Race Street/Lehigh Street in Catasauqua. The scope of work includes implementing the detour, demolition/replacement of the grade crossing by Norfolk Southern Railroad and re-opening the road at the anticipated completion of work 7/30/2024 at 6 AM. Separate detour routes are provided for passenger traffic as well as truck traffic.

If you have any further questions or concerns, please contact our office at 610-837-4100.

Sincerely,

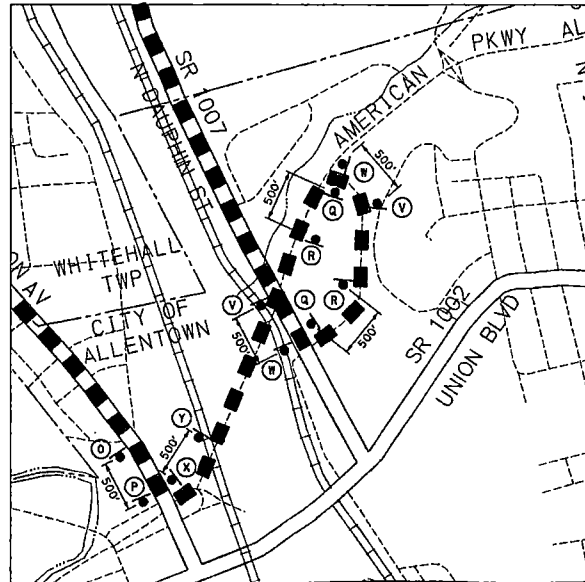

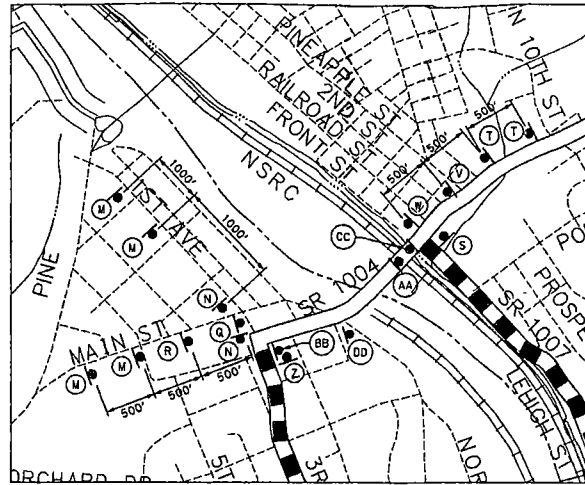

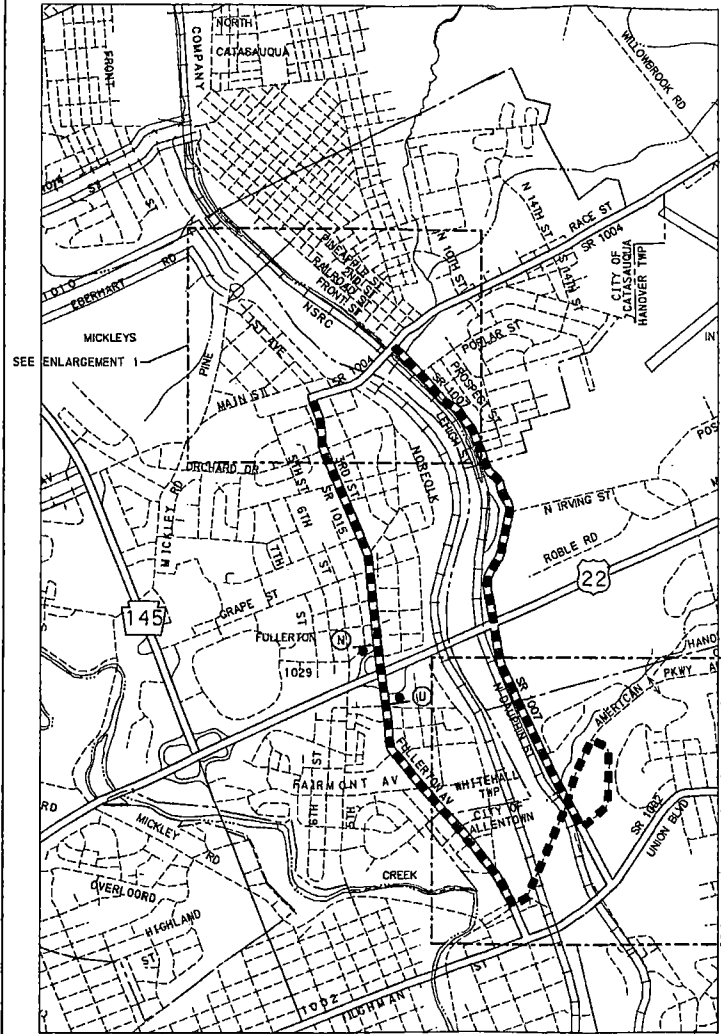

Grace Industries, Inc.
